Happy International Day for Women & Girls in Science, February 11, 2019

Jatinangor, West Java
INDONESIA

 We celebrated the International Day of Women and Girls in Science 2019 through the discussion about Science, Technology, Engineering and Mathematics at the Indonesian Ethnoscience Studies Center, Universitas Padjadjaran-Indonesia and to prepare the SouthEast Asian Women Mathematicians (SEAW) meeting in 30 July 2019 in Yogyakarta which is supported by CWM IMU.

Budi Nurani Ruchjana
 Ambassador CWM IMU for Indonesia
